What is the purpose of Coastal School Ministries participating in the Festival?

To help raise funds for Coastal School Ministries and Ground Zero. Coastal School Ministries brings the Released-time Bible Education programs to middle and high school students in Horry and Georgetown Counties by setting aside (during the public school day) time for students leave the school to attend off-campus Bible classes, as well as providing qualified teachers with a firm grasp of the Bible to teach 5 days-a-week throughout the school year. Ground Zero, a local nonprofit which provides incredible events to teenagers in Myrtle Beach, sponsors campus ministry in our local high schools and middle schools, trains up teenagers to be effective leaders, and is now building a GZ Teen Club in Myrtle Beach. Because of generous sponsors, Ground Zero provides these outstanding opportunities to our teenagers at no cost.

What is Dragon boating?

With its beginnings in Southern China, Dragon boating today is the fastest-growing international team water sport today. Dragon boat race festivals are visually-spectacular, exciting events held around the world. A boat of 20 paddlers and 1 drummer paddle across the finish line faster than other competitors. It's a team sport in its purest form that encompasses the elements of power, speed, synchronization and endurance.

A few reasons to say "yes" and become a Team Sponsor:

1. Community exposure in a visually spectacular setting and atmosphere.
2. You'll have exposure to 2,000+ spectators on Friday night and 3,000+ spectators on Saturday.
3. You'll be a key sponsor of the Coastal School Ministries Dragon Boat Racing Team.
4. You'll help by raising urgently-needed resources for local non-profit ministries, such as Coastal School Ministries and Ground Zero, that reach our teenagers for Christ.
